The Junior Competition Program has been designed for players with exceptional skills. The drills are designed to enhance game skills and match play situations. The 1-½ hour groups have 4 players per court and include weekly league matches; it is designed for the more experienced players. The 1-hour group has only 2 to 4 children on a court and is designed for the young players to get the technical support they need in the lessons and the experience of game situations in the group. To encourage additional play, we offer open court time at half-price for juniors enrolled in the program.
